

VERIFICATION OF PROJECT COST

Permit # _____

I _____ hereby verify that the cost of my
(Print Name of Applicant)
project for both materials and labor will be \$ _____,
(Optional if needed: materials \$ _____; labor \$ _____)

and that _____ will be doing
(Print name of person/contractor doing work)
the work described on my building permit application at the
project located at _____.
(Location address of project)

I understand that giving false information may result in the
revocation of my building permit, and a stop work order being
issued for my project until such time as accurate information is
obtained, proper licensing and registration completed, and
related changes in fees are paid.

Signature of Applicant: _____
